NEWS RELEASE

September 2007

Designs at Decorex

Contemporary lampshade maker, Sarah Walker ArtShades has collaborated with Greenapple Systems Ltd to launch a unique range of table lamps at Decorex, the interior design show for interior design professionals.

Hertfordshire-based Greenapple, renowned for quality contemporary glass furniture and lighting, will be exhibiting the exclusive designs on Stand F201.

Worcestershire-based Sarah Walker has designed a range of shades to complement the sleek glass bases, each handmade from layered, stitched and hand cut Thai plant fibre papers.

The Show is held in the grounds of The Royal Hospital, Chelsea and runs from 23 – 26 September 2007.
